The Local Licensing Authority meets on the second and fourth Tuesday of each month. After a **complete** application is filed with the Town Clerk's office at One Lake Street, the application is reviewed by the Town Attorney's office. The Police Department also performs an investigation and reports their findings to the Local Licensing Authority. A hearing before the Local Licensing Authority is scheduled **NOT LESS THAN 30 DAYS** from the date of filing the completed application papers and fees. This is dictated by State of Colorado Liquor Law. Neighborhood boundaries are set by the Local Licensing Authority. In between the time of submitting the completed application until the actual hearing date, the applicant(s) needs to circulate petitions to show evidence indicating the need for an additional outlet for alcoholic beverage in the respective neighborhood. These petitions must be filed in the Town Clerk's office by 5:00 PM on the date of the hearing.

After the business is licensed for one year, and every year thereafter, the renewal application is mailed to the licensee from the State of Colorado. The licensee is responsible for completing the renewal application and submitting the application to the Town Clerk along with the applicable license fees. In addition to the local license fees, there is also a renewal fee of \$50.00 paid to the Town of Avon for actual and necessary costs to process the renewal application. Any applicable State of Colorado license fees are also payable to the State upon application for renewal. Renewal applications must be filed in the Town Clerk's office for the Local Liquor Licensing Authority's consideration no later than forty-five days prior to the date of expiration.

After the Local Licensing Authority's approval of any application, the Town of Avon shall notify the State Licensing Authority of such approval. The State Licensing Authority will then investigate and process the application. Normally, the Local Licensing Authority receives notification from the State within four weeks after the application is submitted to the State. If approved, a State license is sent to the Town. At that time, the Town of Avon license is issued and both licenses are mailed to the applicant.
